BLHS Lacrosse Boosters -Parent Panther Pride

Thank you for your interest in becoming a sponsor for Bonney Lake Boys Lacrosse.

BLHS Lacrosse is getting ready to start our 3rd season. Our program is young, successful and energetic. In 2016, BLHS Lacrosse made it to the first round of State Playoffs and we are looking forward to exceeding that in 2017.

Lacrosse is the fastest growing sport in the US & Washington State.

For our 2017 Season, we are looking to expand our Community support. This year we are selling Ads for banners and programs. Banners will be displayed at every home game and Lacrosse event. Programs will be handed out at every home game.

Please fill out the form below. Your donation would be helping our program with equipment and financial assistance so all those who want to play lacrosse, can play. We appreciate your support!!
